# CONDOR 210-S

## GENERAL SPECIFICATIONS

- Ground to platform height is 204'-1" [62.20m]
- Working height of 209'-1" [63.73m]
- Horizontal side reach of 76'-7" [23.35m] at an elevation of 51'-6" [15.70m]
- Elevated horizontal side reach of 69' [21.03m] at an elevation of 136'-8" [41.66m]
- Continuous boom rotation
- Platform combined capacity of 1,000 lbs. [454kg]
- Steel platform, 36" x 96" x 42" [0.91 x 2.44 x 1.07m]
- Platform rotation 180 degrees via hydraulic rotary actuator
- Automatic electric over hydraulic platform leveling.
- Fully proportional electronic over hydraulic control system.
- Automatic speed reduction when boom is approaching envelope stop and lower boom over stow protection.
- Upper boom articulation of 160 degrees with 14'-10" [4.52 m] of extension with an insulated boomsection. Insulated clear span of 15'-4" [4.66 m].
- Lower boom (column) articulation of 85 degrees with 85'-6" [26.06 m] of extension
- Fully integrated outriggers, pedestal and sub frame
- Forward swing out and down outriggers; fully deployed 24' [7.32 m], with 24" [0.61m] of jack extension after ground contact.
- Rear telescopic out and down outriggers; fully deployed 24' [7.32 m], with 24" [0.61m] of jack extension after ground contact.
- Closed center hydraulic system with a pressure compensated pump set to provide 36 GPM [136.27L], at a pressure of 2,500 PSI [172 bar].
- Manual emergency platform recovery system

### Note :

- Specifications may vary without prior notification.

## OPTIONAL AERIAL EQUIPMENT

- Tool circuit at platform, open center, 6 GPM [22.7 L/M] at 2,000 PSI [138 bar]
  - Hydraulic intensifier, 10,000 PSI [689 bar]
  - Platform to ground, hands free communications
  - Material handling jib with an unrestricted working capacity of 500 lbs [227 kg].
  - Dedicated Aerial work platform diesel engine/pump mounted on deck
  - Aerial work platform Emergency diesel engine/pump mounted on deck
  - DC powered emergency hydraulic pump
- Additional customer specified options available.**

### TIME Manufacturing

North, Central &  
South America  
7601 Imperial Drive  
P.O. Box 20368
